Q ACCCN

Role ICU Link Nurse

Location All states

WHAT IS AN ICU LINK NURSE?

An ICU Link Nurse is a motivated and enthusiastic ACCCN member who promotes the College and the important work we do within their work environment.

WHAT DOES A LINK NURSE DO?

- Promote ACCCN member benefits within your workplace
- Share upcoming ACCCN events with your team
- Provide feedback to the College on team interests (e.g. Hot Topic Evenings, workshops)
- Help identify ways ACCCN can better support your team

BENEFITS OF BEING AN ICU LINK NURSE

- Build your professional profile and CV
- Network with other like-minded people
- Contribute to the development of meaningful education events

ROLE REQUIREMENTS

- ACCCN Member
- Working in a critical care environment
